Old Business: None

New Business:

Annette announced a grant opportunity from NLM. Provides funding for projects to reduce health disparities. Wants to know if ICON is interested in developing a project and applying for the grant. Letter of intent is due November 16. Application is due December 16. A task force will be formed to explore whether this is a project ICON can do. If the decision is made to proceed, the task force will write the grant application. Annette will send out more information about the grant over the listserv. Anyone interested in joining the task force can email her by September 16th.

Euem, Nicole, Kenny, and Cindy will present a session about ICON at NLA on Oct 21 at 9 am. They will be talking about the history, past programs, and future goals. They will also have memberships forms for attendees interested in joining. Euem sent out a survey to get feedback from ICON members. She received good statements to incorporate into presentation.
