5. JONATHAN EDWARDS: TEXTS & STUDIES

George M. Marsden, *Jonathan Edwards: A Life* (New Haven: Yale University Press, 2003). Jonathan Edwards, often described as “America’s theologian,” was, first and foremost, a pastor and preacher. As the pastor of an 18th-century New England church, he played a key role in the first of the great revivals that swept through American religious history. This is an excellent new biography and study.
